SPONSOR'S/LANDOWNERS' WEEKLY INSPECTION CHECKLIST

Each sponsor/landowner of a fair or carnival or their designees, upon which the fair or carnival is located, must make a visual inspection of each amusement device at least once each week during the period the fair or carnival is operating. The director shall provide a checklist for this inspection. If an unsafe amusement device or condition is discovered, it must be immediately reported to the director. **SC Amusement Ride Safety Code 41-18-80.7**

The following items must be checked:

1. **Entrance/exit ramps, fencing and barricades.**
2. **Adequate lighting**
3. **Midway tripping or electrical hazards.**
4. **Fuel storage facilities for leaks.**
5. **Fire extinguishers present.**
6. **Required communication equipment is operating.**

IN ADDITION TO THE ABOVE, IT IS THE SPONSOR/LANDOWNERS RESPONSIBILITY TO SEE THAT THE OWNER OF THE AMUSEMENT DEVICE IS PERFORMING THE REQUIRED DAILY INSPECTION PRIOR TO CARRYING PASSENGERS.

I have made the inspection of the above items and have also verified the daily inspection checklists for each amusement device are being filled out by the owner.
