State Fire Academy Graduates 24 in February

The South Carolina Department of Labor, Licensing and Regulation's South Carolina Fire Academy graduated 24 students, Friday, Feb. 27, 2015, from its eight-week firefighter candidate school in Columbia. Keynote speaker was Chief Herbert Williams, Town of Mt. Pleasant Fire Department.

The firefighters from 13 fire departments across the state underwent a 320-hour training program of classroom and hands-on firefighting skills development.

The in-depth training, offered quarterly at the Fire Academy, includes emergency responder first aid training, hazardous materials operations training, auto extrication, flammable liquids and gas firefighting, rescue training, and National Fire Protection Association (NFPA) Firefighter I and Firefighter II levels.

"This is a very challenging program that requires team work, in-depth study, extensive hands-on training with live fires, eight practical skills evaluations and seven written tests to meet the National Fire Protection Association standards," Fire Academy Branch Chief Lenny Busby, said.
