Play it Safe at Fall Fairs

LLR's Office of Elevators and Amusement Rides wants to ensure that everyone has a fun and safe time at this year's fall fairs in Columbia and around the state.

The following are some tips to ensure an amusing time for you and your family:

- Parents: insure ride is appropriate for your child based on age/weight/height.
- Obey the posted rules, warnings, and instructions for rides.
- Use safety equipment, such as seat belts, lap bars, etc.
- Keep hands, arms, and legs inside the ride at all times.
- Stay seated until the ride comes to a complete stop.
- If you're frightened by a ride, get the attention of the ride operator to stop the ride.
- Upon entry to and departure from the ride, please be attentive to avoid a trip or fall hazard.
- If the ride operator is inattentive, let a supervisor know.
- Call or text LLR at 803-896-7638 to report an unsafe condition.
- Have fun, but be safe!
