State Fire Academy Graduates 16 in March

The South Carolina Department of Labor, Licensing and Regulation's South Carolina Fire Academy graduated 16 recruits, Friday, March 3, 2023, from its eight-week firefighter candidate school in Columbia. These firefighters underwent a 320-hour training program of classroom and hands-on firefighting skills development. Keynote speaker was Division Chief Joseph Duggan, Sumter Fire Department.

"This challenging program requires commitment, passion, and dedication," State Fire Marshal Jonathan Jones said. "These recruits have successfully worked together as a team, performed extensive hands-on training with live fires, and passed intensive practical skills evaluations and written tests to meet the National Fire Protection Association standards."

The comprehensive training, offered quarterly at the Fire Academy, includes emergency responder first aid training, hazardous materials operations training, auto extrication, flammable liquids and gas firefighting, rescue training, and National Fire Protection Association (NFPA) Firefighter I and Firefighter II levels.
