Check One: Delete and substitute the following Delete without substitution Add the following Modify the following
Type or print proposed modification. Use additional pages if necessary. Underline New language. Line Through Deleted Language.

Primitive Camp Structure: Shall include any structure permanent or temporary in nature, used for outdoor camping (transient), open on at least one side with no fully enclosed habitable spaces, less than 400 square feet under roof, and not classified as a residential occupancy due to the lack of electrical, plumbing, mechanical and sprinkler systems.

Reason: Unusually Restrictive Impractical Threat to Human Injury or Life Safety
Type or print the reason for the proposed modification. Use additional pages if necessary.

"Structures primarily used or associated with outdoor camping activities" include, but are not limited to, shelters, tree stands, sheds, rustic cabins, campfire shelters, shelters, tents, tepees or other indigenous huts used only for campers or program participants, or used in conjunction with outdoor camping activities such as hiking, fishing, hunting, or nature appreciation, regardless of material used for construction. These Structures are not to include utilities such as Mechanical, Electrical or Plumbing.
