Approval of Agenda

Monday, May 3, 2010

MOTION

Mrs. Thompson moved to approve the March 8, 2010, agenda as previously noticed. Mrs. Gilmer seconded the motion, which carried unanimously.

Chairman's Remarks:

Rosanne Kinley, Chairman

Mrs. Kinley reported that the entire Board attended the NIC Region Conference in Las Vegas, Nevada. The agenda was well organized and they had a great time.

Mrs. Kinley reported that the Board began working on the regulations approximately three-years. The regulations are scheduled to go before the full LCI Committee on May 4, 2010. Representative King raised an issue to implement a state law examination and the regulations were amended to include the examination. Approximately eight-years ago the Board did away with this law and implemented a policy to require anyone applying for licensure be given access to the Board's law; and upon reading it, they would sign an affidavit stating they have read; understood and abide by the Laws of South Carolina Board of Cosmetology. She stated if the law is passed it would increase the cost for anyone applying for licensure in this State. She asked the associations to contact their representatives and state senators, especially those who serve on the LCI (Labor, Commerce Industry) Committee, and voice their opinion regarding this matter.

In addition, Mrs. Kinley stated that House Bill 3815 introduced by Representative Haley to amend §40-13-20, as amended, Code of Laws of South Carolina, 1976, relating to the definition of terms pertaining to the licensure and regulation of cosmetologists, as to specifically exclude from the definition of "Salon" a rental booth and space in a salon occupied by an independent contractor, and by adding §40-13-255 as to provide that a person practicing under an individual cosmetology license in a booth rental or as an independent contractor may not be charged a licensure or licensure renewal fee other than the fee charged for individual licensure or licensure renewal.

Mrs. Kinley stated that she suggested a compromise to require a one-time application fee for a booth renter license and if the licensee moves within that two-year period, they would not have to re-apply for a new booth rental license but must notify the Board of the new location. She reported that it is the Board's opinion that the booth rental license adds creditability to the independent contractor. It sets them aside to be responsible for their income taxes; continuing education; licensing; and sanitation within the salon. She asked the public if they have the same opinion of the Board to contact their representatives and state senators and expressed their opinion.

Mrs. Thompson presented the name of the members on the LCI Committee: Greg Ryberg, Chairman; Glenn McConnell; Robert Ford; Kevin Bryant; Kent Williams; Michael Mulvaney; Nikki Setzler; William O'Dell; Thomas Alexander; Raymond Cleary, III; Shane Massey; Floyd Nicholson; Phil Leventis; Glenn Reese; Hugh Leatherman; Joel Lourie, and Lee Bright.

3. SCACS – implemented a change on March 8, 2010 by adding a class on October 31, 2010.
4. SCPBCA – implemented a change on March 8, 2010 by adding Charmaine Green as an instructor.

Discussion:

Reinstatement of Lapsed Licenses:

Eddie L. Jones

Mrs. Kinley informed the Board that she approved/authorized the Office of Licensure to reinstate former licensees' licenses with their original license number.

Mr. Dwight Hayes stated that the reinstatement section of the cosmetology statute looks at a reinstatement application as if that person has never been licensed. It mandates for continuing education and retesting based on a certain period of time. Reciprocity is based on the fact that someone is licensed in other state; the license is current; and there is no need to look at continuing education and testing. The problem with doing reciprocity with people whom previously had South Carolina licenses is they will receive a new record and license number; therefore, they have a new record and an old record with history. In order to keep the history in sync the Office of Licensure and Compliance would like to apply the same philosophy as used on the reciprocity to the reinstatement. If someone has a license in good standing in another state and coming back in South Carolina, the Office of Licensure would use the reinstatement process. This would give the licensee their same license number and keep their history intact and they would not have to have continuing education and testing because they have been licensed in another state.

Mrs. Thompson asked how the information would be kept separate from those who require further testing or continuing education verses someone coming in by reciprocity but now being called a reinstatement. In addition, she asked how long the history is stored.

Mrs. Webb asked why it is necessary for the licensee to keep the same license number.

Mr. Hayes stated keeping the same license number keeps the history intact. Reciprocity is done when someone comes from another State in which they have taken the test to be licensed in South Carolina.

Mrs. Thompson asked whether this process makes it cleaner and easier for staff. She asked why is necessary to have the original license number and call it something different.

Mr. Hayes stated that the process is really reinstatement, but they have gotten around the problem by doing continuing education by doing reciprocity instead and it should have been reinstatement. He stated instead of doing reciprocity apply the same principals to reinstatement.

Mrs. Thompson asked whether this only apply to people whom were originally licensed in South Carolina; moved to another state; and coming back to South Carolina to be re-licensed.

Mrs. Hampton-Furtick asked if a person has not had a license in South Carolina for five years or more would the person's license be reinstated or would they do reciprocity.

Mr. Hayes stated this only applies to people who were originally licensed in South Carolina and if they were originally licensed in South Carolina their license would be reinstated; and if they were originally licensed in another state they would do reciprocity and require them to take an examination.

Election of Officers:

MOTION:

Mrs. Gilmer made a motion to keep all officers in place. Mrs. Webb seconded the motion, which carried unanimously.

Board Member Reports:

Mrs. Gilmer reported that she monitored a Beauty Industry Group continuing education class in North Charleston on March 1, 2010. There were 143 cosmetologists. She did the final inspection for Paul Mitchell School-The School is beautiful and everything was in place. In addition, she attended the region meeting in Las Vegas and noted the speakers were good.

Mrs. Thompson reported on March 18, 2010 she attended the region meeting in Las Vegas and found the meeting to be very informative. She learned a lot from communicating with other states. On April 8, 2010, she inspected the SC Massage and Esthetics Institute change of location and on April 8, 2010, she monitored the ACSP continuing education class. There were 274 participants. On April 25, 2010, she monitored SC Tech Schools continuing education course where there were 35 participants. The instructor was very good; and the only issue was they had to deny credit for one of the participants for coming back from lunch late and sleeping through the last part of the class.

Mrs. Webb reported that she attended the region meeting in Las Vegas. She really enjoyed the cracker barrel which is the coming together of all the Boards to discuss how to conduct business. In addition, she monitored E-Nails continuing class in Gaston, South Carolina. The instructor was Ms. Dorsey; there were 34 participants; and the only problem was the agenda was not posted.

Mrs. Hampton-Furtick reported that she attended the NIC region meeting (see attachment). On April 19, 2010 she monitored a Gray and Associates continuing education class there were 19 participants. Mrs. Browning was the instructor. She monitored the Beauty Industry Group at the Ramada Inn where there were 91 participants and Ms. Berry was the instructor. The only problem was the technician instructor and she was not sure who was in charge of the class. She reported that she missed the date in which she was supposed to monitor PCS exam so she attended the April 19, 2010 exam. There were 77 cosmetologists; 23 nail technicians; 19 estheticians; and 25 instructors. It was a very professional setting. On April 26, 2010, she and Mrs. McCarley inspected Virginia College where each work station has three mannequins, 11 detachable and they have two sets of washers and dryers. The rules and regulations are posted throughout the classroom. In the extra classroom there is a 3-D mannequin; however, there were no razor guards in the kits.

Mrs. Thompson reminded the providers that the Board is keeping a book with all the comments; and they will be bringing the book to the November meeting for the approval of associations and the continuing education courses.

Public Comments:

Gloria Smith

Ms. Smith asked the Board the date of the next Board meeting.

Mrs. Kinley stated that the next meeting is July 12, 2010.

Linda Beach

Ms. Beach stated Ms. Sara Alan has said she would be opening Global Beauty Makeup School in Myrtle Beach, South Carolina.

Mrs. Thompson stated that Global Beauty Makeup School submitted their application the week of March 15, 2010, and currently they are not licensed. The information was turned over to Mrs. Sharon Wolfe. Mr. DeLeon Andrews stated that he would check on the matter.
