Mrs. Cox reported to the Board the licensure total of all licensees as well as continuing education providers to be 2631 active credentials in ten categories (licensees and sponsors of CE regulated by the Board.) A breakdown was provided. She reported for the Office of Licensure and Compliance (OLC) that centralized licensing went into effect on March 1 for the Health Related Boards and the move to OLC has been accomplished. She noted some reallocation of staff with Susan Harrington moving to OLC and with Shelia Jones becoming her administrative assistant. Mrs. Cox introduced Ms. Jones. She also explained the Office of Board Services (OBS) for board services such as board meetings, disciplinary support help, legislation, general and specific board related inquiries, administrative services for the boards, and other duties as needed.
