

The South Carolina Real Estate Commission Partners with CE Broker

CE Broker is now the official CE tracking system of the South Carolina Real Estate Commission. Your board has provided you with a free Basic Account, so you have our most helpful CE tracking tools right at your fingertips.

FREE ACCESS

With the free Basic account, you will have access to your Course History. This lists all of the courses you have completed so far so you can easily find and report any CE that might be missing. You will never have to pay to access all the necessary tools to renew your license.

COMPREHENSIVE COURSE SEARCH

One of the best tools we offer licensees is our Course Search. You can find every course you need to complete your license renewal. After you are finished with each course, many educational providers will report to CE Broker for you.

HELPFUL SUPPORT CENTER

Our support center is staffed with experts who have been trained on the rules and regulations of the South Carolina Real Estate Commission. You can reach them by phone, live chat, or email 8AM-8PM ET Monday through Friday.

UPGRADED ACCOUNT OPTIONS

You can also subscribe to Professional or Concierge Accounts, which offer above-and-beyond CE tracking tools to further simplify your renewal process. With our Professional account you can access a personal CE Transcript which outlines exactly what requirements you have left to complete. The Concierge account includes your own CE Broker account manager who can guide you through the CE process, step by step.

CE Reporting: The South Carolina Real Estate Commission has partnered with CE Broker and has gone live with a new CE tracking and reporting system. CE Broker will be tracking continuing education for all licensees of the Commission that require continuing education to maintain their licenses in **active** status (Salespersons, Brokers and Brokers in Charge). This is a **free** service to all licensees, and you may claim your account by following the link below.

<https://www.cebroker.com/sc/account/basic>

The service provides licensees with simple CE management, course search, clear notification of changes in CE requirements, automatic reporting by providers, and much more. *Upgraded accounts are available from CE Broker, but are not required.

All licensees who intend to renew their licenses in **active** status should have an account set up with CE Broker and assure all continuing education is reported prior to active renewal. Please remember, all continuing education has to be completed within the renewal period, so 2019 renewal date non-exempt licensees should have continuing education dated between 7/1/2017 and the date of their 2019 active renewal.

CE Exemptions: Licensees with CE Exemptions (such as non-resident licensees of other jurisdictions who have taken CE in other states) may report their compliance with nonresident requirements or exemptions using the “Exemptions” tab in CE Broker.

Continuing Education compliance will be audited. Providing false information regarding CE Completion upon renewal will result in inactivation of the license and potential disciplinary action.

Please visit the Commission’s website for answers to any of your questions concerning CE requirements and exemptions, laws, policies, and licensure requirements. The main page of the South Carolina Real Estate Commission can be found at <http://lr.sc.gov/rec>
