

**Winthrop University
Department of Social Work
Rock Hill, SC
Psychopathology and Psychodiagnostics Course Offerings**

SCWK 623: Psychopathology and Empowerment Practice (3 credit hours)

Fall semester: Traditional weekly meeting format. Class meets on campus in Rock Hill one day per week throughout the semester.

Spring semester: Intensive weekend format. Class meets on campus in Rock Hill two weekends during the semester, supplemented by periods of independent study before, in between, and after weekend meetings.

SCWK 624: Psychodiagnostics and Social Work Practice (3 credit hours)

Note: Completion of SCWK 623, or equivalent content, is a prerequisite for SCWK 624.

Summer session: Online format

To register for either course, apply as a non-degree seeking student through the Winthrop University Graduate School at:
