RE: New AWAR<sub>x</sub>E URL and Web Ad Available

As communicated in a National Association of Boards of Pharmacy<sup>®</sup> news release on Friday, November 6, 2015, the Association launched a redesigned website for the AWAR<sub>x</sub>E<sup>®</sup> Prescription Drug Safety Program that day. In addition, the URL of the site changed to <a href="https://www.AWARErx.pharmacy">www.AWARErx.pharmacy</a>, helping consumers identify the site as a safe and legitimate source for pharmacy-related information.

If your board of pharmacy website has a link to AWAR<sub>x</sub>E, please ask your website administrator to update the link to <a href="https://www.AWARErx.pharmacy">www.AWARErx.pharmacy</a> (the former URL was <a href="https://www.AWARErx.org">www.AWARErx.org</a>); this will help keep our site prominent in search results. If you do not currently link to AWAR<sub>x</sub>E, please consider adding this helpful consumer website as a resource to your board of pharmacy's website.

In addition, some boards of pharmacy may have posted the AWAR<sub>x</sub>E web ad that was distributed in October 2012. If so, a redesigned web ad and the program's new logo are available to update your board's website. When your website administrator adds either image to your website, he or she can add a link that users can click to visit the AWAR<sub>x</sub>E website. The images shown are attached to this memo as .png files, if you would like to add them to your board's website.
