REPEAT EXAM REQUEST APPLICATION

If you have received a notice of failure letter with a copy of NCLEX-Candidate Report from the South Carolina Board of Nursing (SCBON), you may apply online to retake the exam.

An applicant who does not pass the licensure examination on the first attempt may retake the examination once every 45 days for up to a year from the first attempt.

1. You are required to re-register with the Board and NCLEX each time you retake the examination. You may re-register with NCLEX by telephone at (866) 496-2539 or you may go to www.pearsonvue.com/nclex. The exam fee must be paid to PearsonVue before this office can make you eligible to retest.
2. Please visit <https://eservice.llr.sc.gov/NewAppsV3/>, select the appropriate exam type, and submit your application by paying the fee via credit or debit card or electronic check online. All fees are non-refundable. A returned check fee of up to \$30, or an amount specified by law, may be assessed on all returned funds.
3. To check your exam eligibility status, log in at <https://eservice.llr.sc.gov/NewAppsV3/>.

Note: Initial applications are valid for one year from the date of receipt by the Board of Nursing. If you have not obtained licensure before the expiration of the initial application, you will need to reapply and take a remediation course approved by the board before re-examination.
