Director

July 29, 2026

The South Carolina Board of Occupational Therapy is now issuing electronic licenses.

As of today, individuals who are approved for initial licensure and individuals who renew their license should log back into the Manage My License account to print a copy of the updated license. This document will be available to print within forty-eight (48) hours after the approval or renewal of your license and will replace mailing of a paper license.

To print your license, you must log into the [e-Service Portal](#) with the User ID and Password you used to renew your license. Board staff cannot provide this information to you, but **you may recover or retrieve it by clicking “Forgot username” for your User ID or by clicking “Forgot password” for your Password.**

Once you have logged into your account, select “Print License Card.” This will allow you to reprint your license when needed in lieu of ordering a replacement from the Board.
