2. Dr. Saadia Whatley
3. Dr. Sara Borkosky
4. Dr. Sarah Fitzgerald

Dr. Cahill moved that the scores be accepted and the applicants be approved for licensure. Dr. Percival seconded the motion. Motion carries.

IRC RECOMMENDATIONS

There were two cases up for dismissal by the IRC Committee. After review, Dr. Shromoff made a motion to approve the dismissals. Dr. Cahill seconded the motion. Motion carries.

PRESIDENTS REPORT

There was a brief discussion on applicants applying at the last minute before a Board meeting and requesting to get into that current meeting without having all the proper paperwork into the Board in a timely manner. Dr. Corey strongly suggests that we don't accept those and when applicants contact a Board member for assistance with that matter they be referred back to the Board staff.

Dr. Corey discussed the report from the Governors regulatory review task force to identify burdens to SC's economy and said we need to add ankle to the updating definition of the practice of podiatry and wanted to make sure that how the state is losing money is added because patients have to go to other states to get treated. Sheridan Spoon stated he would work on seeing how we can get this edited.

ADJOURNMENT

There being no further business, Dr. Cahill moved to adjourn, which was seconded by Dr. Shromoff. The meeting was adjourned at 4:02 p.m. The next meeting is scheduled for December 9, 2013.

Respectfully submitted,
April Koon
Administrative Coordinator
