

**Continuing Education Requirements for Physician Assistants-H3824**

For Physician Assistants with controlled substance prescriptive authority, Section 40-47-965(B)(3) requires:

“every two years, the physician assistant shall provide documentation of **four continuing education hours related to approved procedures of prescribing and monitoring controlled substances listed in Schedules II, III, and IV of the schedules provided for in Sections 44-53-210, 44-53-230, and 44-53-250;**”

This CME requirement will be reflected on the 2017-2019 renewal notice, set to go out October 1, 2017, for the December 31, 2017 deadline, and on the renewal application.
